All purchases made with grant monies shall comply with the terms and conditions of the grant, as well as the applicable Federal, State, and County procedures regarding these purchases.

All Federal grant awards are subject to the Uniform Administrative Requirements and Cost Principles, codified at 2 CFR 200. This includes the standards for procurements under Federal grants, which applies to contracts for services, goods, or repair. Harris County shall follow applicable local and State requirements except to the extent that these are inconsistent with Federal statutes, regulations, or grant conditions. In other words, Harris County shall follow the rule that allows compliance with all the rules that apply to it: Federal, State, and local. If compliance with all applicable levels is not possible and no rule is more restrictive than another, Harris County shall follow the Federal rule.

**This contract shall be funded, in whole or in part, with Federal grant monies. Harris County is authorized to use the sealed bid (formal advertising) method of procurement for this contract opportunity in accordance with 2 CFR 200.320(c).**

Harris County is an Affirmative Action/Equal Opportunity Employer. Minority Business Enterprises, Small Business Enterprises, Women Business Enterprises, Historically Underutilized Businesses, Section 3 Business Concerns, and labor surplus area firms are encouraged to submit bids.

## **IV. EVALUATION & AWARD PROCEDURES**

### **A. NONCONFORMING BIDS**

Bids that are incomplete, contain material irregularities or include alterations to or terms and conditions that do not conform to the terms and conditions of the IFB, or otherwise do not comply with the requirements of the IFB are subject to rejection as non-responsive. In accordance with the regulations of 2 CFR 200 and the laws of the State of Texas, Harris County reserves the right to waive any informality or irregularity, to make awards to more than one Bidder, and/or to reject any or all bids if there is a sound documented reason.

### **B. EVALUATION PROCESS**

Harris County will select the responsive and responsible Bidder that, in the opinion of Harris County, has been determined to have submitted the lowest bid based on all identified factors.

Prices proposed by Bidder shall be irrevocable until Contract award unless the bid is withdrawn. A Bid may be withdrawn by a Bidder, provided an authorized representative of the Bidder submits a written request to withdraw the Bid prior to the time set for opening the Bids.

### **C. BASIS OF AWARD**

Pursuant to 2 CFR 200.320(c)(2)(iv), Harris County shall evaluate Bids in response to this solicitation, and intends to award a firm fixed price contract to the responsive and responsible bidder, whose Bid, considering price and any price-related factors specified in the solicitation, is the lowest.

Where specified in these bidding documents, factors such as discounts, transportation cost, and life cycle costs shall be considered in determining which bid is lowest. Payment discounts will only be used to determine the low bid when prior experience indicates that such discounts are usually taken advantage of.

### **D. UNBALANCED BID**

To the extent applicable, Harris County may reject any Bid as nonresponsive if it is materially unbalanced as to the prices for the various items of work to be performed. A Bid is materially unbalanced when it is based on prices significantly less than cost for some work and prices which are significantly overstated for other work.

### **E. CONTRACT OBLIGATION**

If award is recommended, Harris County Commissioners Court must award the Contract and the County Judge or other person authorized by the Harris County Commissioners Court must sign the Contract before it becomes binding on Harris County or Bidder. Department heads are NOT authorized to sign agreements for Harris County. Binding agreements shall remain in effect until all products and/or services covered by this procurement have been satisfactorily delivered and accepted.

No award can be made until approved by the Harris County Commissioners Court. This IFB does not obligate Harris County to the eventual purchase of any services described, implied or which may be proposed. Progress toward this end is solely at the discretion of Harris County and may be terminated at any time prior to execution of a contract.

## **F. RESPONSIBILITY**

Harris County shall award contracts only to responsible Bidders who have the ability to perform successfully under the terms and conditions of the proposed contract. Information provided in the *Statement of Bidder Qualifications* form (Attachment D) may be used, in part, by Harris County to assess Bidders' responsibility.

To be considered responsible, a Bidder must:

1. Have adequate financial resources to perform the contract, or the ability to obtain them;
2. Be able to comply with the required or proposed delivery or performance schedule, taking into consideration all existing business commitments;
3. Have a satisfactory performance record;
4. Have a satisfactory record of integrity and business ethics;
5. Have the necessary organization, experience, accounting and operational controls, and technical skills, or the ability to obtain them;
6. Have the necessary production and technical equipment and facilities, or the ability to obtain them;  
and
7. Be otherwise qualified and eligible to receive an award under applicable laws and regulations.

Before being considered for award, the Bidder may be requested by Harris County to submit a statement or other documentation regarding any of the items above. Failure by the Bidder to provide such additional information shall render the Bidder nonresponsive and ineligible for award.

Responsible Bidders must have the experience necessary to complete the Scope of Work and ability to comply with Texas and Harris County requirements and all federal codes, policies and regulations applicable to this project.

Harris County shall conduct research to determine that a Bidder is responsible. Some methods to determine responsibility include:

- **Compliance with Delivery and Performance Schedules:** The County may request information on other active contracts the Bidder is performing and verify the status with those buyers;
- **Performance Record:** The County may require Bidders to submit contact information for recent contracts they have performed for other customers and contact them to ascertain the Bidder's quality of performance, including timeliness of delivery/completion, quality of work, compliance with terms and conditions of the contract, and cost control, if applicable.
- **Integrity and Business Ethics:** The County may check local offices of Code Compliance and Business Licenses or other regulatory agencies for business ethics record and compliance with public policy. The County may verify the Bidder's compliance with payments, wage rates, and affirmative action requirements with other customers and with applicable State and Federal Government offices, e.g., DOL Wage and Hour Division;

- Necessary Organization, Experience, Operational Controls, and Technical Skills: The County may verify experience with other customers, request copies of audits, or verify that necessary personnel will be available to work on the County's contract;
- Necessary Production and Technical Equipment and Facilities: The County may request evidence that the Bidder has all the equipment and facilities he/she will need or the capability to obtain them; and
- System for Award Management: The County shall verify that the Bidder is not debarred through the System for Award Management ([www.SAM.gov](http://www.SAM.gov)).

Bidders are responsible for determining the responsibility of their prospective subcontractors. Bidders shall submit the *Subcontractor Listing Form* (Attachment E) with their Bid and provide information on any prospective subcontractors to be used in completion of the Project. Determinations of prospective subcontractor responsibility may affect the County's determination of the Bidder's responsibility. A Bidder may be required to provide written evidence of a proposed subcontractor's responsibility.

The County may directly determine a prospective subcontractor's responsibility. In this case, the same standards used to determine a Bidders responsibility shall be used by the County to determine subcontractor responsibility.

## **V. GENERAL PROVISIONS**

### **A. ALTERNATES**

When there is a justifiable need, Harris County may opt to use Alternate Bids. If the County chooses to use Alternates, the County will identify the Base Bid Specifications, or the specifications listing or describing only those materials, equipment, work, and services upon which the Base Bid must be predicated, exclusive of any alternate bids. The requested Base Bid would comprise the sum of money for which the Bidder offers to perform the work identified in the Base Bid Specifications, not including that work for which alternate bids are also submitted.

Alternates shall be accomplished either with Additive or Deductive Alternates. An Additive Alternate Bid is a body of work that the County may award in *addition* to the Base Bid if there is sufficient funding after the bids are received, and may include items that are not part of the base scope or may be replacements.

By contrast, a Deductive Alternate Bid is a body of work that the owner may *delete* from the base bid if there is insufficient funding to award the full base bid. A Deductive Bid Alternative is when work shall be *deducted* from the Base Bid work.

The purpose of both Additive and Deductive bids is to build flexibility into the bidding process so that the County can award the maximum amount of the project possible dependent on funding available.

Harris County will use Alternates when there is an understandable need and will attempt to limit Alternates to no more than three potential Alternates. One or more of Alternates may be used to adapt a project to stay within the County's budget, which shall allow an award to be made.

### **B. AUTHORIZATION TO DO BUSINESS IN TEXAS**

Bidders must obtain Texas Sales & Use Tax permit from the Texas State Comptroller Office if they are engaged in business in Texas and they are selling tangible personal property, leasing personal property, or

selling a taxable service in Texas. All Bidders are required to have and maintain any licenses, certifications, and registrations required by the State of Texas, Harris County, or recognized professional organization governing the services performed under this contract (such as professional licensing requirements i.e. Licensed Plumbers). The Texas Department of Licensing and Regulation is the primary state agency responsible for the oversight of businesses, industries, general trades, and occupations that are regulated by the state.

For businesses to legally operate in Harris County, Bidders must be registered with the Texas Secretary of State to transact business in Texas and must be current on all state and local fees and taxes, including but not limited to Franchise Account Status with the Texas Comptroller of Public Accounts in good standing, delinquent taxes, court judgments, tickets, tolls, fees, or fines.

A Sole Proprietorship, General Partnership, and all business entities (SP, LLC, INC, etc.) doing business under a name other than the name of the owner requires a DBA (Doing Business As) Certificate, which must be filed within the county of which they are doing business. If a Bidder's business isn't located in Harris County, Bidders must submit the licenses, certifications, and other documentation required by the locality in which their business is based.

### **C. PERFORMANCE & PAYMENT BONDS**

2 CFR 200.325 mandates the minimum federal bonding requirements. However, Texas Government Code is more stringent, and provides for the requirements set forth below. Since the Texas Government Code requirements are more stringent than 2 CFR 200.325, compliance with the following requirements shall satisfy the federal bonding requirements.

1. **Performance Bonds:** Successful Bidder may be required to furnish a performance bond within ten (10) days after award of the Contract and receipt of performance and/or payment bond application form.
  - a. If a contract is expected to exceed \$50,000, Bidders must furnish a performance bond to Harris County for the full amount of the contract (LGC 262.032) within ten (10) days after award of the contract and receipt of performance bond application form. The prescribed Performance Bond Form for non-public works contracts over \$50,000 is found under Attachment I, and is the only form Harris County will accept.
  - b. The Performance Bond, if required, must be submitted within ten (10) days after award and prior to commencement of the actual work. The performance bond shall be in the amount equal to the amount of money to be paid by the County under the contract, unless otherwise stated, and shall be executed by a surety company authorized to do business in the State of Texas. The performance bond is:
    - i. Solely for the protection of Harris County;
    - ii. In the full amount of the contract; and
    - iii. Conditioned on the faithful performance of the work in accordance with the plans, specifications, and contract documents.
2. **Payment Bonds:** A payment bond is required on all public works jobs that exceed \$25,000 (TGC 2253.021), or as required by Harris County. Harris County may require Payment Bonds for other contracts depending on the scope and use of subcontractors. Bidders must furnish payment bond

within ten (10) days after award of the contract and receipt of payment bond application form. The prescribed *Payment Bond* form is found under Attachment J, and is the only form Harris County will accept.

If the successful Bidder submits a bank cashier's check as guaranty, Harris County may elect to hold the check until all provisions of the Contract have been completed, and/or require Bidder to submit a performance and/or payment bond. The performance and/or payment bond shall be in the amount equal to the amount of money to be paid by the County under the Contract, unless otherwise stated, and shall be executed by a surety company authorized to do business in the State of Texas.

If any required performance and/or payment bond forms and related documents are not returned to the Harris County Office of the Purchasing Agent, 1001 Preston, Suite 670, Houston, Texas 77002, within ten (10) days, Harris County has the right to render the award ineffective. Written verification of the validity of the bond shall be received by the Office of the Purchasing Agent from the contractor's surety before any payments will be made.

A bond required by this section must be executed by a corporate surety in accordance with Section 1, Chapter 87, Acts of the 56th Legislature, Regular Session, 1959 (Article 7.19-1, Vernon's Texas Insurance Code). A bond executed for a public work contract with Harris County must be payable to and its form must be approved by Harris County.

A bond required under this section must clearly and prominently display on the bond or on an attachment to the bond:

1. The name, mailing address, physical address, and telephone number, including the area code, of the surety company to which any notice of claim should be sent; or
2. The toll-free telephone number maintained by the Texas Department of Insurance under Subchapter B, Chapter 521, Insurance Code, and a statement that the address of the surety company to which any notice of claim should be sent may be obtained from the Texas Department of Insurance by calling the toll-free telephone number.

#### **D. COMPLIANCE WITH STATE, FEDERAL, AND LOCAL LAWS**

The following regulations shall apply to this Contract opportunity. Bidders should refer to Attachment N – *Required Contract Provisions* for more detailed information on the requirements and regulations applicable to this contract opportunity:

1. 2 CFR 200 – Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards
2. 24 CFR Part 570 – Community Development Block Grants

Bidder shall follow all Federal, State, and local laws, rules, codes, ordinances, and regulations applicable to Bidder's services.

Harris County operates its business ethically and in compliance with the law. We ask that any Bidder or Bidder's employee doing business with Harris County who believes he or she has witnessed any suspected ethical violation or fraud immediately report the allegations to:

Chief Assistant County Auditor – Audit Division  
713-274-5673

All suspected criminal conduct will be investigated and reported to the District Attorney's Office or an appropriate law enforcement agency. Bidders who report suspected ethical violations or fraud can do so without fear of retaliation. Retaliating against any Bidder or Contractor for reporting suspected ethical violations or fraud is strictly prohibited.

In accordance with Texas Government Code 2270.002, Bidder must warrant that it does not boycott Israel and agrees that it will not boycott Israel during the term of this Contract.

#### **E. CONTRACTOR PROFILE**

The *Contractor Profile* form (Attachment G) must be completed and submitted by the Successful Bidder, and any of its subcontractors, within fifteen (15) working days of notification as the apparent low bidder.

#### **F. DISQUALIFICATION OF BIDDER**

Upon signing its Bid, Bidder certifies that Bidder has not violated the antitrust laws of this state codified in Texas Business and Commerce Code §15.01, et seq., as amended, or the federal antitrust laws, and has not communicated directly or indirectly the bid made to any competitor or any other person engaged in such line of business. Any or all bids may be rejected if the County believes that collusion exists among Bidders. If multiple bids are submitted by a Bidder and after the bids are opened, one of the bids is withdrawn, the result will be that all of the bids submitted by that Bidder will be withdrawn; however, nothing herein prohibits Bidders from submitting multiple bids for different products or services.

#### **G. E-MAIL ADDRESSES CONSENT**

By submission of a bid, Bidder affirmatively consents to the disclosure of its e-mail addresses that are provided to Harris County, the Harris County Flood Control District, the Harris County Appraisal District, or any department or agency of Harris County. This consent is intended to comply with the requirements of the Texas Public Information Act, Texas Government Code Section 552.137, as amended, and shall survive termination of this agreement. This consent shall apply to e-mail addresses provided by Bidder, its employees, officers, and agents acting on Bidder's behalf and shall apply to any e-mail address provided in any form for any reason whether related to this IFB or otherwise.

## H. GOVERNING LAW

This IFB is governed by the competitive sealed bidding requirements of 2 CFR 200 “Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards”, the County Purchasing Act, and Texas Government Code Section 2269 et seq., as amended. Where there is a difference in regulation, Harris County shall follow the more stringent regulation and shall require that Bidders comply with all applicable federal, state and local laws and regulations. In the event of any conflict of interpretation of any part of this overall document, Harris County’s interpretation shall govern.

Bidder is further advised that these requirements shall be fully governed by the laws of the State of Texas and that Harris County may request and rely on advice, decisions and opinions of the Attorney General of Texas and the County Attorney concerning any portion of these requirements. Forum for contractual issues shall be in Texas and venue shall be in Houston, Harris County, Texas, in a federal or state court of competent jurisdiction. The County does not agree to binding arbitration and does not waive its right to a jury trial.

## I. FUNDING

Harris County anticipates that all or partial funding for the project subject to this IFB will consist of federal grant funding. The federal agencies providing this funding may include, but shall not be limited to, the U.S. Department of Housing and Urban Development (HUD), the Federal Emergency Management Agency’s (FEMA) Public Assistance program, or H.O.M.E. As such, Bidder acknowledges and is responsible for ensuring compliance with the general procurement standards applicable to Contractors, as detailed in Title 2 CFR 200. Any Contract awarded pursuant to this IFB shall include all required Contract clauses in all solicitation and contract awards for services and work associated with this project, and the selected Bidder shall include the applicable clauses in its subcontracts (see 2 CFR 200, Appendix II, Required Contract Clauses).

Bidder must complete and return Attachment K, *Certification of Compliance with Federal Standards & Requirements*, certifying their compliance with and understanding of their responsibility to ensure compliance with federal regulations. Failure to include the signed *Certification of Compliance with Federal Standards & Requirements* document with your bid may be cause to reject the entire bid. Failure to maintain compliance throughout the duration of the project or Contract may be cause to terminate the Contract.

Additionally, any contract entered into by the County that is to be paid in whole or in part from grant funds will be subject to termination for convenience by the County should grant funding become unavailable at any time for the continuation of services paid for by the grant, and further funding cannot be obtained for the contract. Such termination will be without liability to the County, other than for payment of services rendered prior to the date of termination.

## J. SECTION 3 ACT OF 1968 COMPLIANCE

**DISCLAIMER: THIS SOLICITATION DOES INVOLVE HUD FUNDING AND THEREFORE SECTION 3 DOES APPLY.**

24 CFR 135 requires that for any HUD-funded contract with a value in excess of \$100,000, contractors and subcontractors must comply with the Section 3 Act of 1968. The purpose of Section 3 is to ensure that employment and other economic opportunities generated by certain HUD financial assistance shall, to the greatest extent feasible, and consistent with existing Federal, State and local laws and regulations, be directed to low- and very low income persons, particularly those who are recipients of government

assistance for housing, and to business concerns which provide economic opportunities to low- and very low-income persons. Section 3 is triggered when the normal completion of construction and rehabilitation projects creates the need for new employment, contracting, or training opportunities.

Bidders must complete and submit the *Section 3 Utilization Plan & Statement of Compliance* (Attachment P), with their Bid. The *Section 3 Utilization Plan & Statement of Compliance* should detail the Bidder's goals to hire new Section 3 residents and/or subcontract with Section 3 Business Concerns. Bidders should indicate all firms proposed as subcontractors on this project, and whether any of the firms are Section 3 Business Concerns. Section 3 Business Concerns can be found on the HUD Section 3 website at <https://portalapps.hud.gov/Sec3BusReg/BRegistry/What>.

Businesses which fit the definition of a Section 3 Business Concern, and would like to self-perform in order to comply with Section 3 requirements, must submit Section 3 Self-Certification documentation. At Harris County's discretion, the County shall accept the *Harris County Section 3 Business Concern Self-Certification*, or equivalent Section 3 Self-Certification forms from HUD, the Texas GLO, the City of Houston, and other Section 3 programs in the Bidder's local jurisdiction. Contractors and subcontractors must include the Section 3 Clause (Attachment O, *Section 3 Clause*) in its entirety, in every subcontract subject to compliance with regulations in 24 CFR 135.

Upon award, Bidders will also be required to provide all pertinent information related to Section 3 residents and Section 3 Business Concerns including but not limited to the self-certification forms, copies of lease agreements, copies of documents evidencing participation in public assistance programs, copies of documents as proof of income, and other pertinent documents. Harris County shall monitor and evaluate contractor's, and contractor's subcontractors, Section 3 compliance towards achieving the numerical goals relative to Section 3 employment, training, and contracting on a minimum monthly basis throughout the contract period. Contractors and subcontractors shall be responsible for providing monthly reports in the format requested by Harris County.

#### **K. HUB / MWBE UTILIZATION COMMITMENT**

2 CFR 200.321 requires that Contractors take all necessary affirmative steps to assure that minority businesses, women's business enterprises, and labor surplus area firms are used when possible. Contractors are required to facilitate Historically Underutilized Business (HUB) and/or Minority & Women-Owned Business Enterprise (MWBE) participation. Affirmative steps must include:

1. Placing qualified small and minority businesses and women's business enterprises on solicitation lists;
2. Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;
3. Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises;
4. Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority businesses, and women's business enterprises; and
5. Using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce.

Bidders must indicate which of their subcontractors will be HUB / MWBE using the *Subcontractor Listing Form*. Bidders must indicate the type of work to be performed by each firm and whether each firm is a HUB / MWBE or non-HUB / MWBE firm. Bidders must include certification or documentation when the Bidder itself, or its subcontractor(s), is HUB-certified by the Texas Comptroller of Public Accounts or the local MWBE office in their jurisdiction. Harris County shall monitor and evaluate Bidder's HUB / MWBE

compliance throughout the contract period. Upon award, Bidder shall be responsible for providing reports in the format requested by Harris County.

#### **L. HISTORICALLY UNDERUTILIZED BUSINESSES**

The State of Texas identifies any business at least 51 percent owned by an Asian Pacific American, Black American, Hispanic American, Native American, American woman and/or Service Disabled Veteran, who reside in Texas and actively participate in the control, operations and management of the entity's affairs as a Historically Underutilized Business (also considered MWBE).

#### **M. NO UNAUTHORIZED CONTACTS**

Bidder shall not contact any Harris County personnel or County Board members during this IFB process without the express permission from the Harris County Purchasing Office. Harris County Purchasing may disqualify any Bidder who has made site visits, contacted Harris County personnel or Board Members, or distributed any literature without authorization from Harris County Purchasing.

All correspondence relating to this IFB, from advertisement to award shall be sent to Harris County Purchasing.

#### **N. PUBLIC INFORMATION**

All information, documentation, and other materials submitted in response to this solicitation are considered non-confidential and/or non-proprietary and are subject to public disclosure under the Texas Public Information Act after the solicitation is completed and contract(s) executed with selected firm(s). Once opened, Bids are public records. There are no exceptions.

When submitting Bids, Bidder must be sure to identify trade secrets or confidential information contained in the Bid or redact confidential information if information is needed to address requirements of the IFB. To the extent permitted by law, Bidders may request, in writing, non-disclosure of confidential data. Such information shall accompany the Bid, be readily separable from the response, and shall be CLEARLY MARKED "CONFIDENTIAL." For those portions identified as confidential by Bidder, Harris County must rely on advice, decisions, and opinions of the Attorney General of the State of Texas relative to the disclosure of data or information.

The County will accept information clearly labeled "TRADE SECRET," "CONFIDENTIAL," or "PROPRIETARY". The County will endeavor to inform the submitter of any request for the disclosure of such information. Under no circumstances, however, will the County be responsible or liable to the submitter or any other party for the disclosure of any such labeled information. Bidders that indiscriminately identify all or most of their submission as exempt from disclosure without justification may, at the County's discretion, be deemed non-responsive.

The County will not advise as to the nature or content of documents entitled to protection from disclosure under the Texas Public Information Act, including interpretations of the act or the definitions of "Trade Secret," "Confidential," or "Proprietary."

If the County receives a Public Information Act request, prior to withholding any information, Bidder shall be required to execute an express agreement, in a form provided by the County, to indemnify, defend and hold harmless the County in any action to compel disclosure of any withheld material. If the Bidder refuses to sign such an agreement, the County shall have the right to disclose the entirety of the Bid package, regardless of any marking or labeling of material as trade secret, confidential or proprietary. By submitting

Bids, the Bidder expressly waives any claims against the County for such disclosure in the absence of an express written indemnification agreement. Bidder shall provide to the County a specific legal basis for each portion of a Bid sought to be withheld from disclosure

#### **O. FISCAL FUNDING**

A multi-year lease or lease/purchase arrangement, if identified as a requirement for this IFB, or any resultant contract continuing as a result of an extension option, must include fiscal funding out. If, for any reason, funds are not appropriated to continue the lease or contract, said lease or contract shall become null and void on the last day of the current appropriation of funds. After expiration of the lease, leased equipment shall be removed by Bidder from the using department without penalty of any kind or form to Harris County. All charges and physical activity related to delivery, installation, removal and redelivery shall be the responsibility of Bidder.

#### **P. MINIMUM EFFECTIVE PERIOD OF BID**

All bids are required to remain in effect for at least 120 days from the date of submission. This effective period should be taken into account when preparing the bid.

#### **Q. SUPPLEMENTAL MATERIALS**

Bidders are responsible for including all pertinent product data in the returned bid package. Literature, brochures, data sheets, specification information, completed forms requested as part of the bid package and any other facts which may affect subsequent contract award should be included. Failure to include all necessary and proper supplemental materials may be cause to reject the entire Bid.

#### **R. BRAND NAMES / SUBSTITUTION**

Brand names and model numbers that may appear in the documents of this IFB are for reference only and shall serve as an example of functional, design, and/or quality standards and requirements for the product or service identified. It is not the intent of Harris County to restrict bids in such cases, but rather to establish a desired quality or level of merchandise or to meet a pre-established standard due to existing items. Herein, or within the attached specifications, whenever the County has listed a specific brand name, the words "or equal" shall automatically apply thereto. This term "or equal" means that Contractor may propose to provide an alternate product as long as such proposed alternate product, in the opinion of the County, meets the minimum specifications.

If Bidder wishes to provide a different product than the product the County has identified within this IFB, Bidder may propose different products or items within their Bid submission, provided the products or items provide the same essential characteristics and are of equal or better quality. The burden of proof of such rests with Bidders. Harris County shall act as sole judge in determining equality and acceptability of products offered. After opening of bid, but prior to award recommendation, Harris County may require documentation demonstrating equal or superior products as compared to products required.

#### **S. REGULATORY REQUIREMENTS & PERMITS**

Bidder awarded pursuant to this IFB shall comply with all applicable federal, state, and local laws, rules, regulations, ordinances, and codes and shall identify, prepare and/or obtain all licenses, documentation, coordination, testing, inspections, plans, reports, forms, and permits required to provide the services under this IFB and as required by Local, State, and Federal Agencies, Departments, Boards, and Commissions at

his/her own expense. Bidder shall be responsible for supplying necessary reports and studies (if applicable) to the agencies as required and provide responses to their comments, as necessary.

## **VI. SCOPE OF WORK & SPECIFICATIONS**

The successful Bidder is responsible for identifying, coordinating, and conforming scope, specifications, and recommendations of assigned project(s) to meet legal and regulatory parameters/constraints, codes and applicable requirements set forth by agencies, including, but not limited to the State of Texas, the Texas General Land Office (GLO), Harris County, U.S. Environmental Protection Agency (EPA), the Federal Emergency Management Agency (FEMA), the Texas Commission on Environmental Quality (TCEQ), and any other local codes or agencies as they may apply.

### **C. STANDARDS & SPECIFICATIONS**

When applicable, Standards and Specifications required under this IFB are included under the *Standards & Specifications* attachment.

Bidders may download the *Standards & Specifications*, when available, from BuySpeed at <https://bids.hctx.net/bsol/login.jsp>

### **D. HARRIS COUNTY GENERAL CONDITIONS**

When applicable, the successful Bidder must comply with all requirements included under the *General Conditions* attachment.

### **E. WORK STANDARDS**

It is the responsibility of the Bidder to ensure that each worker provided by the Bidder shall be fully trained and qualified to provide any assigned work. Accordingly, all work provided shall be guaranteed by the Bidder to be performed in a workmanlike, skillful, and competent manner and in accordance with all applicable laws, codes, and/or regulations, including those issued by, but not limited to, Harris County (and/or, if applicable, any city jurisdiction therein in which work will be performed), and/or the State of Texas, and/or any applicable Federal laws, codes, and regulations.

## **VII. CONTRACT REQUIREMENTS & PAYMENT**

The following Contract terms and payment requirements shall apply to the work intended to be awarded pursuant to this IFB. The term “Contractor” shall mean and refer to the successful Bidder. To the extent that any of the Contract terms contained in this Section conflict with the Specifications, Standards, General Conditions, or Federal provisions applicable to the Project, the more stringent requirement shall govern.

### **A. CONTRACT PROVISIONS**

The federal regulations and standards applicable to the required work are set forth in Attachment N, *Required Contract Provisions*, and incorporated herein as part of this IFB. The Contractor shall be required to comply with the federal terms and conditions under the *Required Contract Provisions*, which shall apply to and govern all work and services provided under the Contract. Any firm awarded a contract as a result of this IFB will be required to sign a contract containing the County’s contract provisions, which adhere to and include, but are not limited to, all required federal contract provisions as required of any federally-funded work. These provisions shall be substantially as they appear in Attachment N, *Required Contract Provisions*.

In accordance with 2 CFR 200.326, contracts executed by Harris County which are funded in whole or in part by federal grant monies shall contain the applicable provisions described in 2 CFR Appendix II to Part 200—Contract Provisions for non-Federal Entity Contracts Under Federal Awards.

## **B. PURCHASE ORDER AND DELIVERY**

The successful Bidder shall not deliver products or provide services without a Harris County Purchase Order, signed by an authorized agent of the Harris County Purchasing Department. If special circumstances apply to a Bidder's delivery of a project (including circumstances involving timing), this information should be included in the bid, if necessary. Every tender or delivery of goods must fully comply with all provisions of these requirements and the specifications including time, delivery, and quality. Nonconformance shall constitute a breach which must be rectified prior to expiration of the time for performance. Failure to rectify within the performance period will be considered cause for cancellation of the contract by Harris County without prejudice to other remedies provided by law. **Where project delivery times are critical, Harris County reserves the right to award accordingly.**

## **C. NOTICE TO PROCEED**

The Contractor shall not commence work under the Contract without a Harris County Notice to Proceed, signed by an authorized agent of the Harris County Purchasing Department.

## **D. TIME FOR COMPLETION & LIQUIDATED DAMAGES FOR DELAY**

1. The Contractor shall commence work under the Contract on the date to be specified within the Notice to Proceed form issued by the County. The Contractor shall meet any delivery deadlines or schedules required for the work.

Normal working hours shall be Monday through Friday, 8:00 AM to 5:00 PM (CST). All other working hours require pre-approval, in the County's sole discretion. The Contractor shall be required to provide a minimum five (5) working days for approval and planning of any request for work windows outside normal working hours.

2. *Time is of the essence* of each and every provision of the Contract. If the Contractor fails to acceptably complete the Contract work within the time specified, including any properly authorized extension(s), the County will be damaged and will suffer financial loss. The exact amount of damage is, and will be, difficult of exact ascertainment. Accordingly, instead of requiring any such proof, the County and the Contractor agree that the Contractor will pay the County the sum of **[\$[NOT APPLICABLE]]** for each and every calendar day of delay in completing the Contract work beyond the time prescribed for completion the work, as Liquidated Damages and not as a penalty or forfeiture.

The Contractor specially binds and obligates itself to pay such Liquidated Damages to the County on demand, or at the County's option the County may withhold the amount thereof from any sums due the Contractor under this Contract.

## **E. PAYMENT PROVISIONS**

The sum of the payments due to the Contractor is limited to the amount of money stated in the Contract. Any products provided, or services rendered, in excess of this amount will be at the Contractor's expense and not payable by Harris County. No alterations, substitutions or extra charges of any kind will be permitted. Merchandise may not be billed at a price higher than is stated on the order. Contractors cannot include federal excise, state or city sales tax. Pursuant to Texas Tax Code Section 151.309, as amended, Harris County is exempted from sales and use taxes.

## **F. INVOICING PROCEDURES**

Coordination of the project will be through the Harris County using department, and all invoices must be routed through that department. All invoices shall include submission requirements stated in the specifications including, as applicable, completed certified payroll records and lien waivers. Payment terms are “Net 30” from date the invoice is received by the Auditor’s Office – Accounts Payable Department; therefore, payment to the Contractor may take up to one (1) month from the date the invoice is initially approved by the Harris County using department and received in Accounts Payable. Payment shall be in accordance with Harris County’s *Policy for Payment*.

For prospective vendors downloading this IFB from BuySpeed Online at <https://bids.hctx.net/bsol/login.jsp>, and/or CivCast at <https://purchasing.harriscountytexas.gov/Pages/CurrentSolicitations.aspx>, Harris County’s Policy for Payment may also be picked up between 7:30 a.m. and 4:30 p.m., Monday through Friday at the Office of the Purchasing Agent, 1001 Preston, Suite 670, Houston, TX

## **G. PROGRESS PAYMENTS**

The provisions of this section shall only apply if progress milestones have been specified for the work.

1. If progress milestones have been specified, then payments for the work will be made as the requirements of such progress milestones are met. Progress payments for the work will be made by County upon proper application by Contractor during the progress of the work and according to the terms of payment as specified. Contractor’s progress billing invoice will include progress payments due for the original scope of work and changes. Each item for payment shown in any County schedule for the project and each change order will be itemized on the invoice.
2. Payments otherwise due may be withheld by County on account of defective work not remedied, liens or other claims filed, reasonable evidence indicating probable filing of liens or other claims, failure of Contractor to make payments properly to its subcontractors or for material or labor, the failure of Contractor to perform any of its other obligations under the contract, or to protect County against any liability arising out of Contractor’s failure to pay or discharge taxes or other obligations. If the causes for which payment is withheld are removed, the withheld payments will be made promptly. If the said causes are not removed within a reasonable period after written notice, County may remove them at Contractor’s expense.
3. Payment of the final progress milestone payment or any retention will be made by County upon:
  - a. Submission of an invoice for satisfactory completion of the requirements of a progress milestone as defined in any applicable County schedule, and in the amount associated with the progress milestone;
  - b. Written acceptance of the work by County;
  - c. Delivery of all drawings and specifications, if required by County;
  - d. Delivery of executed full releases of any and all liens arising out of the contract; and
  - e. Delivery of an affidavit listing all persons who might otherwise be entitled to file, claim or maintain a lien of any kind or character, and containing an averment that all of the said persons have been paid in full.

4. If any person refuses to furnish an actual release or receipt in full, Contractor may furnish a bond satisfactory to County to indemnify County against any claim or lien at no cost to County.
5. Acceptance by Contractor of payment of the final progress milestone payment by County will constitute a waiver, release and discharge of any and all claims and demands of any kind or character which Contractor then has, or can subsequently acquire against County, its successors and assigns, for or on account of any matter or thing arising out of, or in any manner connected with, the performance of the contract. However, payment for the final progress milestone by the County will not constitute a waiver, release or discharge of any claims or demands which County then has, or can subsequently acquire, against Contractor, its successors and assigns, for or on account of any matter or thing arising out of, or in any manner connected with, the performance of the contract.

#### **H. RETENTION**

The County may retain up to 20% of the funds pending a supplemental inspection in no fewer than thirty (30) days. Following a satisfactory supplemental inspection, the retainage will be paid to the Contractor upon availability of grant funds following the final thirty (30) day inspection.

If any problems are identified in this supplemental inspection, the County shall notify the Contractor to come back and correct the same within a reasonable amount of time, not to exceed two (2) weeks after notification by the County. Should the Contractor fail to do so, the County will not disburse the retainage and may take any necessary legal recourse, and the Contractor will be barred from performing any more work for the County. In addition, should the Contractor be doing other work for the County and fails to correct any warranty problems, no other payments will be made to him/her until such problems are corrected.

#### **I. PAYROLL SUBMISSION**

If Davis-Bacon or Prevailing Wages are applicable to the Project, original Weekly Certified Payrolls in the format required by Harris County must be submitted by all contractors, and subcontractors as applicable, on a weekly basis to Harris County. The Prime Contractor is responsible for all subcontractor payroll submittals. All contractors and subcontractors are to make available copies of cancelled checks and check stubs for comparison, if requested by Harris County.

Each payroll submitted shall be accompanied by a "Statement of Compliance," signed by the contractor or subcontractor or his or her agent who pays or supervises the payment of the persons employed under the contract and shall certify the following. The Statement of Compliance is found on page 2 of the WH-347 form, and additional certifications of compliance may be required by Harris County. Any Statement of Compliance is subject to the penalties provided by 18 U.S.C. § 1001, namely, a fine, possible imprisonment of not more than 5 years, or both. Accordingly, the party signing this statement should have knowledge of the facts represented as true.

#### **J. WAGE & LABOR COMPLIANCE (NOT APPLICABLE)**

If Davis-Bacon or Prevailing Wages are applicable to the Project, the U.S. Department of Labor Wage Rate poster must be displayed in a location that all workers have easy access and remain in place at all times until the project is complete. Harris County reserves the right to visit the job site and to interview any employees on any given date or time during the conduct of the work without prior notification.

Harris County may require the posting, utilization, and/or submission of the following forms or documents to verify compliance with Davis-Bacon, Prevailing Wages, and other labor requirements, which may include, but are not limited to, the following:

- DBRA Wage Rates – This reflects proper minimum hourly compensation, including fringe benefits, which is owed workers by all contractor/subcontractor for this project. Prime Contractors are required to post these wage rates at the job site visible to all workers.
- Equal Employment Opportunity is the Law (EEO) Poster – This poster will be provided by Harris County to Contractor, and must be posted at the job site in an area visible to all workers.
- Employees Rights Under Davis-Bacon Act Poster– This poster will be provided by Harris County to Contractor and must be posted at the job site accompanied by the wage rates, which shall be visible to all workers.
- Quarterly Employment Data Report – This report shall be provided by Harris County to Contractor and must be submitted by all contractors / subcontractors whose contracts and subcontracts exceed \$10,000.00 regardless of the nature and duration of contract.
- LCP Tracker / Weekly Certified Payrolls – Harris County shall dictate the format and frequency required of contractors / subcontractors when completing certified payrolls, which must be submitted for each week during the course of the project within five (5) working days after the end of the weekly payroll period.
- Project Sign – Harris County shall provide Contractor with the Project Sign requirements, if applicable, including language, formatting, size, and other specifications to be used when preparing and installing the required project sign(s).
- Daily Work Logs – Harris County may require submission of Daily Work Logs from the Contractor for each day during the course of the project with the corresponding Pay Request.

Harris County will ascertain that the proper wage rates are being paid to the employees in accordance with the contract documents. The Prime Contractor shall not allow work requiring a license to be performed by a worker who does not have the proper license. The Prime Contractor shall require, and shall require all its subcontractors and lower tier subcontractors, that workers carry their license upon their persons while performing work on the Project and that such persons produce their licenses to the Harris County representative upon request. Should work requiring a license be performed by an unlicensed person despite the prohibitions of this paragraph, that person must be paid the required wage rate applicable for a licensed craftsman performing such work pursuant to the issued DBRA Wage Decision for this Project. Harris County will not recognize a worker that holds a journeyman's license in a trade as eligible for pay as an apprentice rate for work in that trade.

Apprentices may be used in any of the crafts listed in the Wage Decision, if they are currently certified in a program recognized by the Office of Apprenticeship Training, U.S. Department of Labor, providing the proper ratio between journeyman and apprentice is observed. Apprenticeship certification certificates must be supplied with the first weekly payroll upon which the apprentice's name appears. If they are not certified as an apprentice, they must be paid as a journeyman and used as an apprentice.

In the event of discrepancy between the services performed and the wages paid, it will be documented and the Prime Contractor will be so notified. Harris County reserves the right to withhold any payment due the Prime Contractor until such discrepancy is resolved and the necessary adjustment made.

#### **K. PROMPT PAYMENT POLICY**

It is the policy of the County to process contract payments efficiently and expeditiously. Pursuant to Texas Government Code 2251.021, Harris County shall ensure payments are made within 30 days of receipt of goods and/or services under the contract and after proper submission of an invoice. Payment shall be made within the 30 day time-period, provided there are not disputes between the County and the Vendor, Contractor, Subcontractor, or Supplier about the goods delivered or the service performed that causes the payment to be late; the terms of a federal contract, grant, regulation, or statute prevent the governmental entity from making a timely payment with federal funds; and/or that the invoice is not submitted in strict accordance with any instruction in the Contract relating to the payment.

A Contractor that receives a payment from Harris County must pay its subcontractor the appropriate share of the payment not later than the 10th day after the date the Contractor receives the payment. The appropriate share is overdue on the 11th day after the date the Contractor receives the payment.

#### **L. CHANGE ORDERS**

Without invalidating the Contract, changes may be made to the specifications, or to decrease or increase the quantity of Work to be performed or of materials, equipment, or supplies to be furnished, pursuant to change orders executed in accordance with the procedures set forth in the General Conditions applicable to this Contract.

#### **M. COST PLUS CONTRACTING PROHIBITED**

Cost-plus-a-percentage-of-cost (CPPC) contracts are prohibited by 2 CFR 200.323(d). The cost plus a percentage of cost and percentage of construction cost methods of contracting must never be used, including in subcontracts and third-party contracts. A cost-plus contract is one that is structured to pay the contractor or subcontractor their actual costs incurred, plus a fixed percent for profit or overhead.

A cost-plus-a-percentage-of-cost (CPPC) contract is a contract containing some element that obligates Harris County or Contractor to pay a contractor or subcontractor an amount (in the form of either profit or cost), undetermined at the time the contract was made, to be incurred in the future, and based on a percentage of future costs. The inclusion of an overall contract ceiling price does not make these forms of contracts acceptable.

This type of contract is prohibited because there is no incentive for the contractor or subcontractor to keep its incurred costs low. Instead, there is a reverse incentive for the contractor or subcontractor to continue to incur additional costs in order to continue to drive the percentage of cost up. In other words, increased spending by the contractor will yield higher profits. This prohibition applies to all work, regardless of the circumstances, and applies to subcontracts of the contractor cases where the prime contract is a cost-reimbursement type contract or subject to price redetermination.

## **N. INFORMATION SECURITY**

### **1. Definitions**

“Breach of Security” or “Breach” means unauthorized acquisition of computerized data that compromises the security, confidentiality, or integrity of sensitive personal information including data that is encrypted if the person accessing the data has the key required to decrypt the data.

### **3. Data Ownership**

- a. Upon termination of the Contract, Contractor shall promptly return to Harris County all Harris County-owned data possessed by Contractor and its employees, agents, or contractors, including any subcontractor. Contractor shall retain no copies or back-up records of Harris County-owned data. If such return is infeasible, as mutually determined by Harris County and Contractor, with respect to Harris County-owned data, Contractor shall limit any further use and disclosure of Data to the purposes that make the return of Harris County-owned data infeasible. In lieu of the requirements in this Section, Harris County may direct Contractor to destroy any Harris County-owned data in Contractor’s possession. Any such destruction shall be verified by Contractor and Harris County.

### **4. Data Mining**

Contractor agrees to fully cooperate with such assessment by providing access to knowledgeable personnel, physical premises, documentation, infrastructure, and application software that stores, processes, or transports PII or SPI. Contractor shall ensure that this clause concerning the Harris County's authority to assess, audit, examine, investigate, or review is included in any subcontract it award.

## **O. REMEDIES & LIQUIDATED DAMAGES FOR CERTAIN BREACHES**

1. As authorized by 41 U.S.C. 1908, in instances where Contractors violate or breach contract terms, Harris County is authorized to impose administrative, contractual, or legal remedies which may provide for sanctions and penalties as appropriate.

In the event of a failure by Contractor to satisfactorily perform the services specified herein and/or a default by Contractor in abiding by the other terms and conditions of the Contract, Harris County may terminate the Contract on written notice to Contractor and Contractor shall be liable for all damages, costs, and expenses (including attorney fees) incurred by County related to this default. Such termination is in addition to and not in lieu of any other remedies that Harris County may have in law or equity. Administrative remedies for non-performance, violation or breach of contract terms, or termination of contract for default may include suspension and debarment. Harris County may assess liquidated damages for failure to meet completion deadlines, contract breaches, or performance failures of the Contractor or its Subcontractors.

2. Contractor shall be provided the opportunity to cure certain performance failures or instances of default as described in the contract documents. The legal dispute resolution process as applicable under the Texas Civil Practice and Remedies Code shall include, but is not limited to, Texas and Civil Practice and Remedies Section 38 – Attorney's Fees, Texas Civil Practice and Remedies Section 41 – Damages, and Texas Civil Practice and Remedies Section 154 – General Provisions. Harris County and Contractor(s) should attempt to resolve any claim for breach of contract made by Contractor, to the extent it is applicable to the Contract and not preempted by other law. Except as otherwise provided by law, nothing herein is a waiver by the County or the State of Texas of the right to seek redress in a court of law.

3. In addition, in accordance with Attachment N, *Required Contract Provisions*, liquidated damages may be applied for certain other breaches of the Contract, which may be withheld from amounts due on the Contract.

Any and all moneys collected by the Contractor as liquidated damages from its Subcontractors for any breaches in accordance with Attachment N shall be paid by the Contractor to the County. In each subcontract for Work, the Contractor shall include a provision expressly giving the County a right of action against the Subcontractor in the event such Subcontractor fails to pay any liquidated damages determined to be due and owing thereunder.

Liquidated damages received hereunder are not intended to be nor shall they be treated as either a partial or full waiver or discharge of the County's right to indemnification, or the Contractor's obligation to indemnify the County, or to any other remedy provided for in this Contract or by Law.

**The County may deduct and retain out of the monies which may become due hereunder, the amount of any such liquidated damages; and in case the amount which may become due hereunder shall be less than the amount of liquidated damages suffered by the County, the Contractor shall be liable to pay the difference.**

#### **P. TAXES**

Harris County is exempt from all federal excise, state and local taxes unless otherwise stated in this document. Harris County claims exemption from all sales and/or use taxes under Texas Tax Code 151.309, as amended.

#### **Q. INSPECTION**

Harris County reserves the right to inspect any item(s) or service location(s) for compliance with specifications and requirements and needs of the Contract.

The County has the right to inspect and test all items or services called for by the Contract, to the extent practicable at all times and places during the term of the Contract, which may include inspection of work in progress and wherever work is being conducted. The County shall perform inspections and tests in a manner that will not unduly delay the work.

When work is nearing completion, the Contractor shall notify the County of a specific date when the job will be ready for a final inspection. The purpose of the final inspection is to guarantee that all work called for in the Contract has been completed according to specification. If progress inspections were conducted often enough to make mid-course corrections, the final inspection should only need to catch those items which have been done since the last inspection. The final inspection will be as thorough and deliberate as the initial inspection.

If the Contractor fails to promptly perform the services again or to take the necessary action to ensure future performance in conformity with Contract requirements, the County may (1) by contract or otherwise, perform the services and charge to the Contractor any cost incurred by the County that is directly related to the performance of such service or (2) terminate the contract for default.

#### **R. SAFETY**

It shall be the responsibility of the Contractor to ensure, at all times during the performance of the work, to the maximum extent feasible, to protect the safety of County residents and staff, the Contractor's staff,

subcontractors, and the public. This shall include, but not be limited to, compliance with all OSHA-related Federal and local laws, codes, and regulations.

The Contractor shall comply with all Safety Guidelines and all laws of any governmental authorities for the safety of persons or property. Hazardous Materials may not be used without prior notice to, approval from, and coordination with the County. Contractor shall be responsible for any Hazardous Materials brought onto County property by Contractor, Subcontractors, suppliers or anyone else for whom Contractor is responsible. Notwithstanding anything herein to the contrary, asbestos, asbestos containing products or polychlorinated biphenyl (PCB) shall not be used in the Work.

#### **S. HAZARDOUS MATERIALS**

Materials used in the project shall be free of hazardous materials, except as may be specifically provided for in the specifications.

#### **T. SUPERVISION**

The Contractor shall provide competent management for the Project, approved by County, who shall be working on the Project for direction, coordination, sequencing and all other required activities, for the entire duration of and until final acceptance of the work. The approved manager shall not be discontinued (except upon Final Completion of the Project or in the event of his or her termination of employment or disability or if the County requests a replacement to resolve incompatible working relationships) and no new individual shall be designated without prior approval of the County.

#### **U. STAFFING REQUIREMENTS**

Contractor, upon award, shall make reasonable effort to maintain stability of the staff assigned to the Project to prevent the departure of the most productive and expert resources from the Project. Contractor shall provide the County with at least 30 days' notice of any change in key personnel or staff assigned to the Contract. Personnel shall be removed from the Project upon request by the County.

#### **V. DEBRIS / SITE CLEANUP**

To the extent applicable to the work, Contractor shall keep worksite clear of all Contractor-generated debris which may endanger the safety of others, including the public.

#### **W. SUBCONTRACTORS**

Harris County must approve the actual subcontractors prior to their use. Bidder must verify subcontractor eligibility based on factors such as past performance, proof of liability insurance, possession of a federal ID tax number, debarment status, and state licensing requirements. Contractor assumes responsibility for the performance of the subcontractor; therefore, Bidder is urged to closely scrutinize subcontractors. If a subcontractor is found to be ineligible after award of a contract, the contract shall be immediately terminated and the matter reported to HUD.

#### **X. INSURANCE**

Contractor performing services under the contract awarded pursuant to this IFB must provide the types and amounts of insurance specified in the *Minimum Insurance Requirements*, included as Attachment L.

Contractor is advised to carefully review such insurance requirements. All insurance must provide coverage for work on residential properties. By submitting a bid, Contractor acknowledges that it has reviewed the insurance provisions and takes no exceptions to the insurance requirements.

Contractor's certificate(s) shall include all subcontractors as additional insureds under its policies **or** subcontractors shall maintain separate insurance as determined by the Contractor, however, subcontractor's limits of liability shall not be less than \$1,000,000 per occurrence / \$2,000,000 aggregate.

Refer to Attachment L for more information on *Minimum Insurance Requirements*.

#### **Y. WAIVER OF SUBROGATION**

Contractor and Contractor's insurance carrier waive any and all rights whatsoever with regard to subrogation against Harris County as an indirect party to any suit arising out of personal or property damages resulting from Contractor's performance under this agreement.

#### **Z. TOLL / PARKING FEES**

Any and all toll/parking fees incurred by the Contractor(s) during the term of this contract will be the responsibility of Contractor.

#### **A. WORKERS' COMPENSATION INSURANCE COVERAGE RULE 110.110**

Contractor must comply with this requirement, if applicable, for any building or construction contract – see the *Workers' Compensation Insurance Coverage Rule 110.110* under Attachment M for more detail.

#### **AA. COLOR SELECTION**

Determination of colors of materials is a right reserved by the using department unless otherwise specified in the bid. Unspecified colors shall be quoted as standard colors, NOT colors which require up charges or special handling. Unspecified fabrics or vinyl should be construed as medium grade. If Contractor fails to get color/material approvals prior to delivery of merchandise, the using department may refuse to accept the items and demand correct shipment without penalty, subject to other legal remedies.

#### **BB. RECYCLED MATERIALS**

Harris County encourages the use of products made of recycled materials that are EPA-designated items and shall give preference in purchasing to products made of recycled materials if the products meet applicable specifications as to quantity, quality, and reasonableness of cost. Harris County will be the sole judge in determining product preference application. Information about this requirement and a list of EPA-designated items, is available at EPA's Comprehensive Procurement Guidelines web site, <https://www.epa.gov/smm/comprehensive-procurement-guideline-cpg-program>

#### **CC. MATERIAL SAFETY DATA SHEETS**

Under the "Hazardous Communication Act", commonly known as the "Texas Right To Know Act", Contractor must provide to the County with each delivery, material safety data sheets which are applicable to hazardous substances defined in the Act. Contractor shall furnish this documentation for any material proposed within Contractor's bid subject to the Act.

## **DD. FAILURE TO COMPLY**

Failure to comply with any part of the provisions shall constitute a material breach of the Contract. The event of such a breach may result in compensation being withheld or suspended, termination of the Contract, or suspension or debarment of the Contractor. The Contractor shall also be liable for all damages available under 2 CFR Part 200 and statutes and regulations related to the formation and execution of the Contract.

## **EE. TERMINATION**

1. **Termination for Convenience.** This Contract may be Terminated for Convenience due to reasons known to Harris County, i.e., program changes, changes in state-of-the-art equipment or technology, insufficient funding, etc. This type of termination is utilized when the Contractor is not in violation of the contract terms and conditions. Harris County may terminate this contract without Cause upon thirty (30) days written notice.
2. **Termination for Cause.** This Contract may be Terminated for Cause due to actions by the Contractor, i.e., failure to perform, financial difficulty, slipped schedules, etc. In certain instances, the termination settlement may include procurement costs to be paid by the Contractor. Harris County reserves the right to terminate this Contract for default if Contractor breaches any of the terms herein, including warranties of Contractor or if the Contractor becomes insolvent or commits acts of bankruptcy. Such right of Termination is in addition to and not in lieu of any other remedies which Harris County may have in law or equity. Default may be construed as, but not limited to, failure to deliver the proper goods and/or services within the proper amount of time, and/or to properly perform any and all services required to Harris County's satisfaction and/or to meet all other obligations and requirements.
3. **Termination for Health and Safety Violations.** Harris County shall terminate this contract immediately without prior notice if Contractor fails to perform any of its obligations in this Contract if the failure (a) created a potential threat to health or safety or (b) violated a law, ordinance, or regulation designed to protect health or safety.

## **FF. CONTRACT TRANSITION**

Bidder acknowledges its responsibility to cooperate fully with the replacement Bidder and Harris County to ensure a smooth and timely transition to the replacement Bidder. Such transitional period shall not extend more than ninety (90) days beyond the expiration/termination date of the contract, or any extension thereof. Bidder shall be reimbursed for services during the transitional period at the rate in effect when the transitional period clause is invoked by Harris County. During any transition period, all other terms and conditions of the agreement shall remain in full force and effect as originally written.

## **GG. TITLE TRANSFER**

Title and Risk of Loss of goods shall not pass to Harris County until Harris County actually receives and takes possession of the goods at the point or points of delivery. Receiving times may vary with the using department. Generally, deliveries may be made between 8:30 a.m. and 4:00 p.m., Monday through Friday. Contractor is advised to consult Harris County Purchasing for instructions. The place of delivery shall be as directed by the County.

In the event product does not conform to OSHA Standards, where applicable, Harris County may return the product for correction or replacement at Contractor’s expense. If Contractor fails to make the appropriate correction within a reasonable time, Harris County may correct at Contractor’s expense.

Labor, materials, and equipment furnished under the Contract shall be of the type and quality required by the Scope of Work and Contract, new (unless otherwise required or permitted by the Contract) and installed in a good and workmanlike manner and otherwise in accordance with the Contract. Contractor shall use sound industry principles and practices applicable to the work in the performance of thereof; apply to the work a high degree of skill, care, judgment and supervision to assure that the work is performed properly and in accordance with the Contract; and ensure the work will be free from defects not inherent in the quality required or permitted.

All work performed by the Contractor shall be guaranteed for a period of one (1) year. Such warranty will be stipulated in the Contract between the Contractor and the County. For a period of one (1) year, the County may require the Contractor to correct defects or problems arising from his or her work under this Contract. Should the Contractor fail to do so, the County may take any necessary legal recourse as prescribed in the Contract. A reasonable amount of time will be given to correct the problem; however, in no case will such time exceed two weeks for Contractor to respond.

## **II. SEALS, LOGOS, AND FLAGS**

Contractor shall not use any Federal, State, or local government agency seal, logo(s), crest, or reproduction of flags or likeness of agency officials without expressed, specific agency pre-approval in writing.

## **JJ. SILENCE OF SPECIFICATIONS**

The apparent silence of specifications as to any detail, or the apparent omission from it of a detailed description concerning any point, shall be regarded as meaning that only the best commercial practice is to prevail and that only material and workmanship of the finest quality are to be used. All interpretations of specifications shall be made on the basis of this statement. The items furnished under this contract shall be new, unused of the latest product in production to commercial trade and shall be of the highest quality as to materials used and workmanship. Manufacturer furnishing these items shall be experienced in design and construction of such items and shall be an established supplier of the item.

## **KK. SEVERABILITY**

If any section, subsection, paragraph, sentence, clause, phrase or word of these requirements or the specifications shall be held invalid, such holding shall not affect the remaining portions of these requirements and the specifications and it is hereby declared that such remaining portions would have been included in these requirements and the specifications as though the invalid portion had been omitted.

In the event of any violation of the clause set forth in paragraph (1) of this section the contractor and any subcontractor responsible therefore shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (1) of this section, in the sum of \$10 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (1) of this section.
- (3) Withholding for unpaid wages and liquidated damages. The (write in the name of the Federal agency or the loan or grant recipient) shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (2) of this section.
- (4) Subcontracts. The contractor or subcontractor shall insert in any subcontracts the clauses set forth in paragraph (1) through (4) of this section and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any

subcontractor or lower tier subcontractor with the clauses set forth in paragraphs (1) through (4) of this section.

#### **COPELAND “ANTI-KICKBACK” ACT (40 U.S.C. 3145)**

Pursuant to 2 CFR Appendix II to Part 200 (D), Contractor must comply with the provisions of the Copeland “Anti-Kickback” Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, “Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States”). The Act provides that each vendor, contractor, subcontractor, or subrecipient shall be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. Contractor shall include this provision in all contracts between itself and any subcontractors in connection with the services performed under this Contract. Harris County shall report all suspected or reported violations to the Federal awarding agency.

#### **COST PLUS CONTRACTING PROHIBITED (2 CFR 200.323(D))**

Cost-plus-a-percentage-of-cost (CPPC) contracts are prohibited by 2 CFR 200.323(d). The cost plus a percentage of cost and percentage of construction cost methods of contracting must never be used, including in subcontracts and third-party contracts. A cost-plus contract is one that is structured to pay the contractor or subcontractor their actual costs incurred, plus a fixed percent for profit or overhead.

A cost-plus-a-percentage-of-cost (CPPC) contract is a contract containing some element that obligates Harris County or Contractor to pay a contractor or subcontractor an amount (in the form of either profit or cost), undetermined at the time the contract was made, to be incurred in the future, and based on a percentage of future costs. The inclusion of an overall contract ceiling price does not make these forms of contracts acceptable.

This type of contract is prohibited because there is no incentive for the contractor or subcontractor to keep its incurred costs low. Instead, there is a reverse incentive for the contractor or subcontractor to continue to incur additional costs in order to continue to drive the percentage of cost up. In other words, increased spending by the contractor will yield higher profits. This prohibition applies to all work, regardless of the circumstances, and applies to subcontracts of the contractor cases where the prime contract is a cost-reimbursement type contract or subject to price redetermination.

#### **DAVIS BACON AND RELATED ACTS (2 CFR 200 APPENDIX II (D))**

Pursuant to 2 CFR 200 Appendix II (D), for any contract in excess of \$2,000, Contractor must comply with the Davis Bacon and Related Acts, and the requirements shall be applicable to any labor or mechanic work completed in connection with this contract which fall under the Davis Bacon Act. Any Contractor awarded under this contract is required to comply with the Davis Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR part 5) and with the Copeland “Anti-Kickback” Act (18 U.S.C. 874; 40 U.S.C. 3145) as supplemented in Department of Labor regulations (29 CFR part 3). In accordance with the statute, Contractors are required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week.

If Davis Bacon is applicable, Harris County will provide a copy of the current *Davis Bacon Wage Decision* with the solicitation. The decision to award a contract or subcontract shall be conditioned upon the acceptance of the wage determination. Contractor shall submit certified payroll of contractor and all subcontractors on a

weekly basis in the format required by the County. At County's request, Contractor shall make available and shall require its subcontractors to make available, copies of cancelled checks and check stubs for comparisons by the County or its agents.

Such laborers and mechanics shall be paid the appropriate wage rate and fringe benefits on the wage determination for the classification of work actually performed, without regard to skill, except as provided in 29 CFR Part 5.5(a)(4). Laborers or mechanics performing work in more than one classification may be compensated at the rate specified for each classification for the time actually worked therein: Provided that the employer's payroll records accurately set forth the time spent in each classification in which work is performed. The wage determination (including any additional classification and wage rates conformed under 29 CFR Part 5.5(a)(1)(ii)) and the Davis Bacon poster (WH-1321) shall be posted at all times by the contractor and its subcontractors at the site of the work in a prominent and accessible place where it can be easily seen by the workers.

Each payroll submitted shall be accompanied by a "Statement of Compliance," signed by the contractor or subcontractor or his or her agent who pays or supervises the payment of the persons employed under the contract and shall certify the following. The Statement of Compliance can be found on page 2 of the WH-347 form, and/or additional certifications of compliance may be required by Harris County. Any Statement of Compliance is subject to the penalties provided by 18 U.S.C. § 1001, namely, a fine, possible imprisonment of not more than 5 years, or both. Accordingly, the party signing the statement should have knowledge of the facts represented as true.

Contractor must include this provision in all contracts between itself and any subcontractors in connection with the services performed under this Contract. Harris County shall report all suspected or reported violations to the Federal awarding agency, as applicable.

#### **DEBARMENT / SUSPENSION AND VOLUNTARY EXCLUSION (2 CFR Appendix II to Part 200 (I))**

The Contractor further must notify Harris County in writing immediately if Contractor or its subcontractors are not in compliance with Executive Order 12549 during the term of this contract. Contractor shall include this provision in all contracts between itself and any subcontractors in connection with the services performed under this Contract.

If it is found that the Contractor did not comply or is not in compliance with Executive Order 12549 (2 C.F.R. part 180, subpart C and 2 C.F.R. part 3000, subpart C), the Contractor may be subject to available remedies, including but not limited to, refunding Harris County for any payments made to the Contractor while ineligible, and also acknowledges that the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment.

1. The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:

Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

2. The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.
3. The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.
4. The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

7. In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government

contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

8. The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

The Contractor further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, That if the applicant so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

The Contractor agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

The Contractor further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the Contractor agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the Contractor under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such Contractor; and refer the case to the Department of Justice for appropriate legal proceedings.

During the performance of this contract, the Contractor must comply with required Equal Employment Opportunity for Workers with Disabilities provisions.

Contractor shall include the following equal opportunity clause in each of its covered Government contracts or subcontracts (and modifications, renewals, or extensions thereof if not included in the original contract):

- a. Equal opportunity clause. The Contractor shall abide by the requirements of the equal opportunity clause at 41 CFR 60-741.5(a), as of March 24, 2014. This clause prohibits discrimination against qualified individuals on the basis of disability, and requires affirmative action by the Contractor to employ and advance in employment qualified individuals with disabilities.
- b. Subcontracts. The Contractor shall include the terms of this clause in every subcontract or purchase order in excess of \$15,000 unless exempted by rules, regulations, or orders of the Secretary, so that such provisions will be binding upon each subcontractor or vendor. The Contractor shall act as specified by the Director, Office of Federal Contract Compliance Programs of the U.S. Department of Labor, to enforce the terms, including action for noncompliance. Such necessary changes in language may be made as shall be appropriate to identify properly the parties and their undertakings.

#### **EQUAL EMPLOYMENT OPPORTUNITY FOR VEVRAA PROTECTED VETERANS (41 CFR 60.300)**

### **REQUIRED CONTRACT PROVISIONS**

- iv. Job assignments, job classifications, organizational structures, position descriptions, lines of progression, and seniority lists.
  - v. Leaves of absence, sick leave, or any other leave.
  - vi. Fringe benefits available by virtue of employment, whether or not administered by the contractor.
  - vii. Selection and financial support for training, including apprenticeship, and on-the-job training under 38 U.S.C. 3687, professional meetings, conferences, and other related activities, and selection for leaves of absence to pursue training.
  - viii. Activities sponsored by the contractor including social or recreational programs.
  - ix. Any other term, condition, or privilege of employment.
- c. The contractor shall immediately list all employment openings which exist at the time of the execution of this contract and those which occur during the performance of this contract, including those not generated by this contract and including those occurring at an establishment of the contractor other than the one where the contract is being performed, but excluding those of independently operated corporate affiliates, with the appropriate employment service delivery system where the opening occurs. Listing employment openings with the state workforce agency job bank or with the local employment service delivery system where the opening occurs will satisfy the requirement to list jobs with the appropriate employment service delivery system. In order to satisfy the listing requirement described herein, contractors must provide information about the job vacancy in any manner and format permitted by the appropriate employment service delivery system which will allow that system to provide priority referral of veterans protected by VEVRAA for that job vacancy. Providing information on employment openings to a privately run job service or exchange will satisfy the contractor's listing obligation if the privately run job service or exchange provides the information to the appropriate employment service delivery system in any manner and format that the employment service delivery system permits which will allow that system to provide priority referral of protected veterans.
- d. Listing of employment openings with the appropriate employment service delivery system pursuant to this clause shall be made at least concurrently with the use of any other recruitment source or effort and shall involve the normal obligations which attach to the placing of a bona fide job order, including the acceptance of referrals of veterans and nonveterans. The listing of employment openings does not require the hiring of any particular job applicants or from any particular group of job applicants, and nothing herein is intended to relieve the contractor from any requirements in Executive orders or regulations regarding nondiscrimination in employment.
- e. Whenever a contractor, other than a state or local governmental contractor, becomes contractually bound to the listing provisions in paragraphs 2 and 3 of this clause, it shall advise the employment service delivery system in each state where it has establishments that: (a) It is a Federal contractor, so that the employment service delivery systems are able to identify them as such; and (b) it desires priority referrals from the state of protected veterans for job openings at all locations within the state. The contractor shall also provide to the employment service delivery system the name and location of each hiring location within the state and the contact information for the contractor official responsible for hiring at each location. The "contractor official" may be a chief hiring official, a Human Resources

contact, a senior management contact, or any other manager for the contractor that can verify the information set forth in the job listing and receive priority referrals from employment service delivery systems. In the event that the contractor uses any external job search organizations to assist in its hiring, the contractor shall also provide to the employment service delivery system the contact information for the job search organization(s). The disclosures required by this paragraph shall be made simultaneously with the contractor's first job listing at each employment service delivery system location after the effective date of this final rule. Should any of the information in the disclosures change since it was last reported to the employment service delivery system location, the contractor shall provide updated information simultaneously with its next job listing. As long as the contractor is contractually bound to these provisions and has so advised the employment service delivery system, there is no need to advise the employment service delivery system of subsequent contracts. The contractor may advise the employment service delivery system when it is no longer bound by this contract clause.

- f. The provisions of paragraphs 2 and 3 of this clause do not apply to the listing of employment openings which occur and are filled outside of the 50 states, the District of Columbia, the Commonwealth of Puerto Rico, Guam, the Virgin Islands, American Samoa, the Commonwealth of the Northern Mariana Islands, Wake Island, and the Trust Territories of the Pacific Islands.
- g. As used in this clause:
  - i. All employment openings includes all positions except executive and senior management, those positions that will be filled from within the contractor's organization, and positions lasting three days or less. This term includes full-time employment, temporary employment of more than three days' duration, and part-time employment.
  - ii. Executive and senior management means: (1) Any employee (a) compensated on a salary basis at a rate of not less than \$455 per week (or \$380 per week, if employed in American Samoa by employers other than the Federal Government), exclusive of board, lodging or other facilities; (b) whose primary duty is management of the enterprise in which the employee is employed or of a customarily recognized department or subdivision thereof; (c) who customarily and regularly directs the work of two or more other employees; and (d) who has the authority to hire or fire other employees or whose suggestions and recommendations as to the hiring, firing, advancement, promotion or any other change of status of other employees are given particular weight; or (2) any employee who owns at least a bona fide 20-percent equity interest in the enterprise in which the employee is employed, regardless of whether the business is a corporate or other type of organization, and who is actively engaged in its management.
  - iii. Positions that will be filled from within the contractor's organization means employment openings for which no consideration will be given to persons outside the contractor's organization (including any affiliates, subsidiaries, and parent companies) and includes any openings which the contractor proposes to fill from regularly established "recall" lists. The exception does not apply to a particular opening once an employer decides to consider applicants outside of his or her own organization.
- h. The contractor shall comply with the rules, regulations, and relevant orders of the Secretary of Labor issued pursuant to the Act.

### **REQUIRED CONTRACT PROVISIONS**

- i. In the event of the contractor's noncompliance with the requirements of this clause, actions for noncompliance may be taken in accordance with the rules, regulations, and relevant orders of the Secretary of Labor issued pursuant to the Act.
- j. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices in a form to be prescribed by the Director, Office of Federal Contract Compliance Programs, provided by or through the contracting officer. Such notices shall state the rights of applicants and employees as well as the contractor's obligation under the law to take affirmative action to employ and advance in employment qualified employees and applicants who are protected veterans. The contractor must ensure that applicants or employees who are disabled veterans are provided the notice in a form that is accessible and understandable to the disabled veteran (e.g., providing Braille or large print versions of the notice, posting the notice for visual accessibility to persons in wheelchairs, providing the notice electronically or on computer disc, or other versions). With respect to employees who do not work at a physical location of the contractor, a contractor will satisfy its posting obligations by posting such notices in an electronic format, provided that the contractor provides computers that can access the electronic posting to such employees, or the contractor has actual knowledge that such employees otherwise are able to access the electronically posted notices. Electronic notices for employees must be posted in a conspicuous location and format on the company's intranet or sent by electronic mail to employees. An electronic posting must be used by the contractor to notify job applicants of their rights if the contractor utilizes an electronic application process. Such electronic applicant notice must be conspicuously stored with, or as part of, the electronic application.
- k. The contractor will notify each labor organization or representative of workers with which it has a collective bargaining agreement or other contract understanding that the contractor is bound by the terms of VEVRAA, and is committed to take affirmative action to employ and advance in employment, and shall not discriminate against, protected veterans.
- l. The contractor will include the provisions of this clause in every subcontract or purchase order of \$100,000 or more, unless exempted by the rules, regulations, or orders of the Secretary issued pursuant to VEVRAA so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the Director, Office of Federal Contract Compliance Programs, may direct to enforce such provisions, including action for noncompliance.
- m. The contractor must, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to their protected veteran status.
- n. The Contractor shall forfeit as a penalty to the County who administers the subject Project receiving Federal assistance, Sixty Dollars (\$60.00) for each worker, employed for each calendar day, or a portion thereof, such worker is paid less than the said stipulated rates for any work done under this Project, by him/her or by any contractor under him/her.

The Section 3 Hiring goals under 24 CFR 135.30(b)(2) require that contractors and subcontractors commit to employ Section 3 Residents<sup>1</sup> as 30% of the aggregate number of full-time new hires.

**B. Section 3 Subcontracting**

Section 3 Subcontracting requirements are triggered by the need for subcontracts in the completion of a Section 3 covered contract. The Section 3 Subcontracting goals under 24 CFR 135.30(c) require contractors and subcontractors to make the effort to award contracts, to the greatest extent feasible, to Section 3 Business Concerns<sup>2</sup> as follows:

- Building Trades Contracts (construction): At least 10% of the total dollar amount of all Section 3 covered contracts for building trades work arising in connection with construction projects.
- Other Contracts (non-construction): At least 3% of the total dollar amount of all other Section 3 covered contracts. This might include professional service contracts such as architectural, engineering, or legal services related to construction or rehabilitation projects.

**PART II: SECTION 3 TRIGGER**

I do not anticipate hiring any new permanent, temporary, or seasonal employees on this contract.

I do not anticipate subcontracting any portion of the work on this contract.

**\*IF CONTRACTOR DOES NOT ANTICIPATE THE NEED FOR ANY HIRING OR SUBCONTRACTING, BOTH BOXES MUST BE CHECKED ABOVE AND CONTRACTOR SHOULD SKIP TO PART VIII: STATEMENT OF COMPLIANCE ON THE FINAL PAGE\***

<sup>1</sup> A "Section 3 resident" is a public housing resident or individual who resides in Harris County and who is a low- or very low-income person (defined as families whose incomes do not exceed 80% of the median income for the area). Please refer to the HUD Income Limits for more information.

<sup>2</sup> A "Section 3 Business Concern" is a business: 1) That is 51 percent or more owned by Section 3 Resident; 2) Whose permanent, full-time employees include persons, at least 30 percent of whom are currently Section 3 residents; or 3) That provides evidence of a commitment to subcontract in excess of 25 percent of the dollar award of all subcontractors to be awarded to Section 3 Business Concerns.

If awarded a contract, contractor is required to provide an updated listing of its workforce for the project, which shall be subject to approval by Harris County. Any changes to that workforce during the contract will constitute new hires. Contractor is hereby informed that it must notify Harris County of any new hire opportunities that arise during the life of the contract. NOTE: If hiring is anticipated and this section is not completed, contractor may be deemed non-compliant.

### SECTION 3 UTILIZATION PLAN & STATEMENT OF COMPLIANCE

#### PART V. CONTRACTOR RESPONSIBILITIES

Contractors, and subcontractors when applicable, must actively facilitate compliance with Section 3 by directing hiring, training, and subcontracting opportunities to Section 3 Residents and Section 3 Business Concerns to the greatest extent feasible. Following the “typical” procedures for hiring or subcontracting is not sufficient for compliance with Section 3.

##### **A. Efforts “To the Greatest Extent Feasible”**

Contractors and subcontractors will have fulfilled their responsibility when they can provide evidence that extra or additional efforts were made, which may include, but are not limited to the following:

- Advertising the employment or subcontracting opportunities in a local community newspaper or a newspaper of general circulation.
- Publicizing the employment or subcontracting opportunities by posting flyers at local community centers, Housing Authorities, HUD-housing developments, or transitional housing.
- Contacting homeless service agencies or community organizations in HUD-assisted neighborhoods to request the assistance of these organizations in notifying Section 3 Residents of the training and employment opportunities.
- Contacting the local workforce development board, business assistance agencies, local chambers of commerce, community colleges, business development organizations, and other community development advocates and organizations to advertise employment and subcontracting opportunities.
- Posting hiring or subcontracting opportunities on job sites. Posters or signs must provide contact information for the contractor and a brief description on how to apply or obtain additional information.
- Holding job informational meetings for residents and contractors.
- Outreach to Section 3 Business Concerns, providing the firms with notice of subcontracting opportunities.
- Prior to engaging subcontractors for a project, making efforts to contract with Section 3 Business Concerns.

Contractors who have been found to have completed the hiring process or who have engaged subcontractors without adhering to the necessary Section 3 regulations, or without notifying Harris County, may be found in default of their contract and subject to penalties.

##### **B. Changes**

If contractors’ or subcontractors’ hiring or subcontracting needs change, or if the scope of work changes at any point during the contract, the Harris County compliance monitor must be notified. Any changes to the Section 3 Utilization Plan must be approved by Harris County via an amended Section 3 Utilization Plan, when applicable.

##### **C. Documentation & Reports**

Contractors and subcontractors are responsible for documenting actions taken to comply with Section 3 requirements, including all results and impediments. Contractors and subcontractors that fail to meet the minimum numerical goals bear the burden of demonstrating why it was not feasible. Such justifications must describe the efforts that were taken, barriers encountered, and other relevant information. Contractors must maintain on file all records, and backup documentation, related to efforts to comply with Section 3 hiring and subcontracting requirements for seven (7) years after receiving final payment and after all other pending matters have been closed. Documentation and records may include, but are not limited to printed advertisements (newspapers, trade publications, and etc.), job postings, mailouts, notices, flyers, publications, etc., in connection with this contract. Contractor must, upon request, provide such records to Harris County, its staff, or its designees.

Contractors and subcontractors must submit reports on its Section 3 compliance status and its efforts regarding Section 3 implementation using the Harris County prescribed processes, reporting methods, and form(s). Reports may require information on contractor’s actual Section 3 hiring and subcontracting activity, listing of new hires, employee data, copies of executed contracts, and any relevant documentation. Contractor must provide reports in the frequency required by Harris County.

### SECTION 3 UTILIZATION PLAN & STATEMENT OF COMPLIANCE

#### **PART VI: OTHER ECONOMIC OPPORTUNITIES**

In the event contractor, or subcontractor when applicable, is unable to meet the hiring and/or subcontracting requirements, or can demonstrate that it has attempted, to the greatest extent feasible, to comply with the Section 3 requirements, contractor may propose “Other Economic Opportunities”. These opportunities may be exercised only with prior Harris County approval and satisfactory documentation explaining why hiring or subcontracting requirements could not be fulfilled.

Contractors proposing Other Economic Opportunities must submit a detailed written narrative to Harris County for review and approval. Examples of Other Economic Opportunities may include:

- Scholarships for Section 3 Residents
- Sponsoring the enrollment of Section 3 Residents into training or apprenticeship programs
- Providing training programs for Section 3 Residents
- Providing mentorship programs for Section 3 Residents
- Providing paid internships for Section 3 Residents
- Providing Section 3 Business Concerns with tools to enable them to successfully compete for contract opportunities, such as bonding and insurance assistance
- A combination of Other Economic Opportunities as approved by Harris County.

Other Economic Opportunities are subject to verification and approval by Harris County. Contractors interested in providing Other Economic Opportunities as a means to comply with Section 3 requirements are encouraged to review 24 CFR 135.40 for more detail.

#### **PART VII: COMPLIANCE CURE PROCESS AND SANCTIONS**

Noncompliance with Section 3 means failure by contractors or subcontractors to comply with the requirements of Section 3 and Harris County’s Section 3 Policy. Once the Section 3 requirement has been triggered, contractors and subcontractors are required to comply with hiring and/or subcontracting efforts from award through contract conclusion. Contractors and subcontractors must comply with efforts identified in their Section 3 Utilization Plan & Statement of Compliance, which must be approved by Harris County, or must demonstrate why compliance is infeasible.

Harris County may, at its discretion, execute the following remedies for noncompliance:

1. Based on the first observation or report of noncompliance with Section 3, the contractor or subcontractor will be sent a written notice informing them of their specific deficiencies and the means by which these deficiencies may be corrected.
2. The contractor or subcontractor shall have up to 30 days, at the County’s discretion, to remedy any deficiencies and achieve compliance, or provide written justification, in the format required by Harris County, on why it is unable to comply.
3. Should the Contractor fail to achieve compliance or provide sufficient justification within the required timeframe, Harris County may elect to terminate the contract.
4. Continuing failure or refusal by the contractor or subcontractor to comply with the regulations of Section 3 may result in the application of sanctions, which may include termination of the contract for default, and debarment, suspension, or denial of future HUD-assisted contracts.
5. Noncompliance may be reported to the HUD local field office.

Additional information on compliance with Section 3 may be found under 24 CFR 135 and in the Harris County Section 3 Policy.
